Special Conditions of Hire during COVID-19

Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire.

SC1:

You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

SC2:

You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

SC3:

You will be responsible for cleaning door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire before other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving.

Please take care cleaning electrical equipment (IE. Keypads). Use cloths - do not spray!

SC4:

You will make sure that everyone likely to attend your activity or event understands that they MUST NOT DO SO if they or anyone in their household has had COVID-19 symptoms in the last 7 days, and that if they develop symptoms within 7 days of visiting the premises they MUST use the Test, Track and Trace system to alert others with whom they have been in contact. You will keep a register of those who attend your activity or event to aid the track and trace system.

Inform the booking secretary on 01376 570508.

SC5:

You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

SC6:

You will ensure that no more than **30** people attend your activity/event, in order that social distancing can be maintained. You will ensure that everyone attending maintains social distancing while waiting to enter the premises, observes the one-way system within the premises, and as far as possible when using more confined areas e.g. moving and stowing equipment, which should be kept as brief as possible. You will make sure that no more than 2 people use each suite of toilets at one time.

SC7:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

SC8:

You will position furniture or the arrangement of the room as far as possible to facilitate people seating side by side, with at least one empty chair between each person, rather than face to face. If tables are being used, you will place them to maintain a distance of at least 1 metre across the table between people who are face to face.

SC9:

You MUST keep a record of the date and time the activity started and the name and contact telephone number or email of all those who attend your event (or a member of any group of up to 6 people who attend together). This can be done either by operating an advance booking system which collects these details, or by asking everyone who attends to use the NHS QR poster at the hall entrance to register their attendance and by keeping a record of any who do not register using their smartphone app and the hall's NHS QR poster or your own NHS QR poster.

SC10:

You will be responsible for the disposal of all cleaning rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bins provided by the entrance doors before you leave the hall. Large quantities of other rubbish must be taken home for disposal.

SC11:

You will encourage users to bring their own drinks and food. There will be no crockery and cutlery or tea and coffee making facilities available to reduce risk of contamination between hirers.

SC12:

We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

SC13:

In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to a safe area. Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home.

Inform the booking secretary on 01376 570508.

SC14:

For events with more than 30 people (when allowed) you will take additional steps to ensure the safety of the public in relation to COVID-19 and prevent large gatherings or mass events from taking place, for example by operating a booking system or providing attendants or stewards who will ask people to seat themselves furthest from the entrance on arrival, to exit closest to the exits first and invite people to use toilets in the interval row by row.

SC15:

In order to avoid risk of aerosol or droplet transmission you must take steps to avoid people needing to unduly raise their voices to each other, e.g. refrain from playing music or broadcasts at a volume which makes normal conversation difficult.

SC16:

Where a group uses their own equipment:

You will ask those attending who bring their own equipment not to share it with other members and ensure it has been cleaned prior to the equipment being brought into the hall.

You will ensure that any equipment you provide is cleaned before and after use.

No equipment is to be left in the hall

SC 17:

You will encourage all those attending your activity to wear a face covering unless an exemption or other government guidance applies to the activity. A face covering is not required when people are eating or drinking but they should be seated.
